WWII MEMORIES WANTED

Did your parents, grandparents or their siblings serve in WWII? They may have been in the forces, working in a war service factory, down the mines, or active on the land. They may have been evacuees.

If so, we'd like to remember their service and experiences in this anniversary year by producing a display/booklet. Send us a photo of them, preferably in uniform and give us a couple of sentences about their experiences. We will share these accounts during our VE Day commemorations. Note, their service needn't have any connection with Edingale as long as you do! Contact Claire - claire.ahmer@btinternet.com
